Pioneer Seeks Gas Rate Hike School Keeps \$1.65 Rate

The Canyon School Board voted Tuesday night to retain a \$1.65 tax rate for next year in the district.

"We feel confident we can maintain our level of operation for \$1.65 for another year," School Supt. Jerry Jacobs said.

This marks the third year the school district has had a \$1.65 rate.

Before setting the rate, school board members looked over the proposed 1970-71 operating budget and set public hearing on the budget for 8:30 p.m. Tuesday.

The hearing will be in the Canyon High School board of education room.

Jacobs presented the formal proposed operating budget for the coming year of

\$2,275,631. This reflects an approximately \$400,000 increase over last year's budget.

Total budget, including building funds is \$2,697,131. Total revenue including investments of the building fund is budgeted at \$2,280,631.

Jacobs told the board the greatest increase in this year's budget is in instructors' salaries. Instructional salaries total almost \$1.4 million.

State sources provide the greatest amount of revenue—\$1,281,175.

In other action Tuesday, the board adopted the amended 1969-70 budget. The budget was amended to see SCHOOL, page 10

Board Passes Disruption Rule

Canyon School Board members, reflecting growing nationwide concern in the actions of today's youth, passed unanimously Tuesday a disruptions policy and reviewed drug abuse and student dress policies for the coming year.

Meeting in regular session, the board also discussed a professional employee absentee and sick leave policy.

With no discussion from the board, the disruption policy, which cited three major disruptive areas, was passed on reading.

For the purpose of the policy, a disruption is defined as "any attempt by any means to disturb the normal

tranquility of the school." The policy takes effect next Wednesday, first day of class for Canyon's schools.

First part of the policy states that duplicated, written or printed materials (handbills, photographs, films, tapes, etc.) will not be sold or distributed on the campus or near the campus of any school without approval of the principal of that school. Violation of the policy can result in suspension from school.

The second part of the policy involves suspension of students from school for interfering with the normal instructional process or associated school activities "by inciting, encouraging, promoting, or participating in a protest demonstration, disruption, riot, sit-in, walkout, blockage of entrances."

The third portion of the policy says that any student in violation of the above section of the policy may be open to charges under state law.

Commission Will Talk Annexation

Representatives from the Canyon Chamber of Commerce will appear before the City Commission tonight to discuss annexation by the city of property to the north.

The commission meets at 7 p.m. in the city hall annex.

Chamber directors recently talked annexation at their meeting and stressed that Canyon should extend its northern city limits at least to encompass Buffalo Bowl.

Other business scheduled for the commission to act on tonight includes consideration of approval of the 1970-71 tax roll.

As an information item, School Supt. Jerry Jacobs gave board members a copy of what will probably be this fall's CHS dress policy.

Jacobs said dress policies for each school will be set by each school's principal.

The policy presented Tuesday night calls for the following for boys: Wear shirts tucked in unless specifically made to be worn outside. Wear belts. Wear shoes with socks. Hair will be well groomed and trimmed so as not to extend over the eyebrows or ears. It should not see POLICIES, page 10

Power Failure Leaves City With No Lights, Phones Out

Canyon residents suffered a massive power failure of the Eastern blackout variety during late afternoon Sunday.

Television sets went blank and other electrical appliances quit working about 5:15 p.m. during the Sunday afternoon thunderstorm.

The power failure, which cut all electrical power in Canyon and the area served

by Canyon, was caused by lightning, according to Joe Gidden, manager of the local Southwestern Public Service Co. office.

Gidden said lightning struck an incoming 115 KV line at the company's substation in west Canyon and shattered the line's insulators grounding the power.

Local crews worked about 45 minutes to repair the damage before power was restored to the city at about 6 p.m.

Later in the afternoon, about 50 residents lost the use of their telephones when lightning struck a Southwestern Bell Telephone Co. cable.

Mike Patrick, local telephone company manager, said a 50-pair cable was hit by lightning about 7 p.m. Crews worked Sunday night and Monday to restore phone service to the customers.

The afternoon power failure caused particular prob-

lems for the city.

Fire Capt. Joe Rice said he fired up the city's generator shortly after the power failure to provide power for the radio base station used by the fire department, police department and sheriff's office. The base station is located in the fire department.

Traffic lights in the city were off for the 45-minute

see POWER, page 10

Pioneer Natural Gas Co. filed an application Wednesday with the City of Canyon for a burner tip rate hike.

The city commission has 60 days to act on the request.

The company requests a 19.4 per cent hike in costs to the Canyon commercial and residential consumer.

A gas company spokesman said this would amount to about a \$1 per month increase for the average consumer.

The application states that if the city acts within the 60 days required by law, the company will be willing to accept a rate hike of only 16.2 per cent.

The company spokesman said because of recent cost rises the gas company is in need of immediate revenue and is willing to accept a lower increase in return for speedy action.

"With the rising costs the company has sustained, it

is in immediate need of additional revenue," said K.B. Watson, executive vice president of Pioneer. "To avoid any further delay and expense, an increase of 16.2 per cent would be acceptable although a rate increase of 19.4 percent would yield less than a 7% percent return on the fair value of the company's investment."

To stress the monetary problems of the company, Watson said Pioneer was recently forced to pay a 9.5 per cent interest rate on a \$20 million loan.

The Texas Railroad Commission in the spring set Pioneer's gate rate charge at 32 cents effective July 1. The company had requested a gate rate hike from 28 cents to between 34 and 36 cents.

"This gate rate adjustment will not result in increased revenue until the burner tip rate is changed," Watson said. "The gate rate increase was allowed in re-

cognition of the company's increased cost of getting the gas to the communities through its transmission system.

"It does not include any consideration for the higher cost of distributing the gas within the cities."

If the 19.4 per cent increase goes into effect, the minimum charge for gas in Canyon would be \$2.20, up from \$1.85 now. If the 16.2 per cent increase is accepted, the minimum charge would be upped to \$2.15.

The rate hike to consumers would go into effect immediately upon approval by the city commission.

Watson said either of the proposed rate hikes would keep the consumer cost of gas in the company's West Texas system, of which Canyon is a part, below the state average.

Canyon is a member of a West Texas Utilities Committee PIONEER, page 10

WT Registration Activities To Begin This Weekend

Various activities connected with registration of students at West Texas State University for the fall semester begin this weekend.

The university's residence halls will be open for occupancy Sunday.

More than 8,000 students are expected to enroll for fall term classes. Last year, just three under 8,000 registered.

Beginning freshmen undergo the most procedure during the first week of registration and orientation.

At 8 a.m. Monday, the American College Testing Program Test will be given to beginning freshmen who have not taken it.

The first session of freshman orientation begins at 8:30 a.m. Tuesday in the physical education building. Second orientation begins at 1:30 p.m.

Freshman counseling is scheduled for Wednesday.

Formal registration begins on Thursday in WTSU's new physical activities center.

Freshmen and seniors will register first. Sophomores, juniors and graduate students register on Friday.

Freshmen undergo another orientation at 9:30 a.m. and 1:30 p.m. Friday.

Evening-only students and late arrivals may register Saturday.

Classes begin at the university on Aug. 31. The fall term ends Dec. 17, just before the Christmas holidays.

The following is registration schedule for freshmen and senior students on Thursday:

8-8:30	M
8:30-9	N through O
9-9:30	P through Q
9:30-10	T
10-10:30	S

Cornette Praises Campus Ministry

The campus ministry and their teachings are necessary to a university for the total education of the student, Dr. James P. Cornette told about 50 campus ministers and Bible chair directors Tuesday.

Dr. Cornette, president of West Texas state University, praised the Church of Christ Bible Chair in Canyon for its endeavor to teach students.

The university president was initial speaker at a three-day seminar for campus ministers and Bible chair directors sponsored by the Church of Christ Bible Chair at WTSU.

Ministers from several states, including Wyoming and Missouri, are attending the seminar, which ends today.

Highlight of the seminar

today will be the speech at 2 p.m. by Dr. F. W. Mattox, president of Lubbock Christian College, on Liberalism in Christian Education.

Today's sessions will begin at 9 a.m. with a devotion.

Dr. John Wilson will speak on the Role of a Campus Minister's Wife at 9:30 a.m. and Roy H. Lanier Sr., staff writer for Firm Foundation, will speak on The Importance of Doctrinal Accuracy at 10:50 a.m.

New Horizons in Educational Media Applied to Bible Teaching will be a lecture presented by Winston Hall and other personnel from WTSU at a 3 p.m. session.

Final activity of the seminar will be a stop at the musical-drama "TEXAS" in Palo Duro Canyon State Park.

WT Leaders To Meet Monday

Conference Features Barnes

Lt. Gov. Ben Barnes will arrive in the area next week to keynote the annual Campus Leadership Conference at the High Plains Baptist Assembly Grounds, northwest of Canyon.

Barnes is to speak on student rights at 3:30 p.m. Monday, according to Jim Edd Wines, president of the Student Senate at WTSU which is sponsoring the conference.

Congressman Bob Price will be a guest at the conference, also, he said.

The conference will begin Monday at 9 a.m. with registration in the Activities Center on campus. Folders with information concerning WTSU will be given to

the delegates at that time.

No planned transportation will be provided from Canyon to the conference site, according to Gary Story, president of the Students' Association. However, if a student needs a ride, the Student Senate will find one for him, he said.

Welcoming speeches will be given from 10:30 a.m. to noon at the assembly grounds by Dr. James P. Cornette, president of the University; Dr. T. Paige Caruth, vice president for student affairs; and Story.

There will be a barbecue supper for the delegates at 5 p.m., followed by a question and answer period conducted by Lt. Gov. Barnes.

At 7 p.m., Hank Brown, executive secretary of the Ex-Students' Association, will present information on the Missouri Valley Conference and plans for the coming year, including Buffalo Expo.

Following his talk will be an informal campfire.

Tuesday will begin with a breakfast for delegates at 9 a.m., followed by a talk on campus growth by Virgil Henson, vice president for financial affairs at the University.

A message from the Board of Regents will take place at 10:30 a.m.

Regents who will be at the conference include Donald see BARNES, page 10

Don't Miss This

Our generation may have taken too much credit for being "good" when we did not have the means to be otherwise.

Thundershowers of varying quality unleashed at least some moisture over parched Randall County Sunday.

Some areas of the county reported as much as three inches of rain during the afternoon showers, but for the most part the rain's lasting contribution is dubious.

Beginning shortly after noon, the storm belched lightning which cut power in the city for about 45 minutes and which silenced phones in 50 homes (see related story on this page).

Temperatures, which have hovered throughout the summer over the 90-degree mark, dropped drastically with the passing of the front.

No hail was reported in the storm.

Moisture accumulations inside the city varied from about .74 of an inch to more than an inch.

One area northeast of Canyon received a reported three inches of moisture from the storm.

The moisture was the first of the month for the sunbaked county. Randall County received less than an inch of moisture during July.

The thundershowers, although appearing to cover most of the county, provided only scattered showers.

Because of this, County Agent John Brazzil was hesitant to place much value on the rains.

Land Still Parched In County

Thundershowers Do Little Good

The blazing sun returned Monday and Tuesday to quickly evaporate whatever moisture remained above ground.

"As far as most people are concerned, we appreciate any moisture we can get, but it's not going to have a significant effect unless the amounts are larger than those reported," Brazzil said.

He noted that even with Sunday's showers, the county is still hot and dry, conditions which have prevailed here since spring.

"It's going to take more than a few local showers to help" he said.

Rangelands and crop beds are parched in the area and the dryness threatens to

cause major financial problems to the county.

"We've had a rather long spell of no production on our range lands," he said. "They are depleted of moisture and they're brown and not growing."

"We have about two months of growing season left, which could get some production. But, this would take a couple of inches of rain. It'd take more than a local shower."

A problem of major concern to farmers is the approach of time to plant wheat for early pasture.

"This is done in August, but the seed beds are completely dry," he said. "It will see SHOWERS, page 10

Fourth Happy Days Celebration To Include Barbecue, Awards

Happy Residents will kick up their heels this weekend when the Happy Jaycees sponsor the fourth annual Happy Days Celebration Saturday and Sunday.

The events begin early in the morning and end late at night the first day, and amateur steer roping will climax the celebration on Sunday.

A carnival will be going on all day Saturday in downtown Happy with booths being sponsored by individuals and organizations.

At 9:30 a.m. Saturday is the parade, followed by

horned toad races at 11 a.m.

An Oldtimers Barbecue is scheduled for 11:30 a.m. in Stephenson Memorial Park. The barbecue is free to all oldtimers.

At noon, a barbecue lunch will be served to Happy Days participants in Stephenson Park. The cost is \$1.50 per plate.

Oldtimers awards will be presented at 12:30 p.m. followed by a drawing for a minibike at 1 p.m.

Also set for 1 p.m. is horse shoe pitching.

Pony Express races will

begin at 2 p.m. in the Happy Rodeo Arena.

A dance is scheduled for 9 p.m. in the American Legion Hall.

The amateur matched steer roping will begin at 1 p.m. Sunday in the Happy Rodeo Arena.

Twenty top ropers will rope four steers each during the competition.

This year's Happy Days Celebration was originally scheduled for Aug. 15 but

was postponed because of conflicting celebrations of nearby towns.

The Happy Jaycees have set the third Saturday in August to be the official date for the celebration following this year's observance so there won't be this conflict in dates, according to Gene Shipman, president.

General chairman for the celebration is George Tirey, assisted by Shipman.

Chairmen of the various committees include Norman Freeman, barbecue; Lloyd Venhaus, parade; Vincent Venhaus, dance; Billy Penn, downtown booths; Duane Stubblefield, sky divers and beard contest; Ronnie Johnson, roping; Lee Donnell, horseshoe pitching; Dean Todd, meat cutting; and Gene Shipman, publicity.

Our World

BY ANN BROWN

Ralph Nader has been lauded for his patriotic, unselfish service to his country: He is reputed to serve as consumer advocate without salary. But does this self-appointed watchdog for the "moronic" American consumer (and that includes all Americans) need a salary?

Do we need a protector? Americans have always been the most enterprising, progressive people on earth. And why not? Great numbers of the most energetic, venturesome people from all nations have flocked to America.

Americans were the pioneers of freedom. We were first in the field of religious freedom. We gave the world the public free school. Mass education, mass production, and automation began in America.

Incalculable scientific breakthroughs began here—

including atomic energy. We gave the world mobility through the passenger car and the airplane. We have the highest standard of living in the world, and we have shared our affluence with almost every nation on earth. Does this sound like a people who need a keeper?

Americans have always been able to take care of themselves in the market place. If a product is shoddy, the producer does not usually stay in business very long. We do not need to be told what cereal, tea, or automobile to buy; we choose the ones that suit our tastes and purses.

Our protector not only tells us what we can buy, and eat, he tells us what we can wear. All that expensive shoulder harness that every new car owner was forced to buy, and those annoying headrests on the back of the

front seat are more "protection." Now the problem seems to be to force us to use them.

America's greatest current social problem is probably crime, and it has many facets. Perhaps the ugliest side of this monster is the lawsuit. Thieves prow like roaring lions seeking someone to sue.

If a drunk pedestrian blunders into the side of a moving car, he is almost sure to sue the driver. A householder must carry liability insurance, lest a guest slip on the bathroom rug, and ruin him with a devastating lawsuit.

Frequently, thieves prow cities in old jalopies until they locate a new Cadillac or Lincoln. They dawdle along in front of their "pid-geon," braking abruptly until he hits them from behind. Then they slap him with a big damage suit for a back or neck injury.

It is doubtful, however, if Mr. Nader will take any steps to protect helpless Americans from legal thieves. In the light of his own \$25 million lawsuit against General Motors, it might appear a bit awkward.

About four years ago, Nader wrote a book entitled, UNSAFE AT ANY SPEED. He charged GM's Chevrolet Corvair was an unsafe car. One would assume that Nader made considerable investigation of GM's product before he wrote his book.

Well, GM decided to do a little investigating of Mr. Nader. He slapped them with a lawsuit for \$25 million. After 3½ years of litigation, GM settled out of court for \$425,000.

When Nader can "persuade" one of America's more powerful corporations to hand him almost half a million dollars, does he need a salary?

Perhaps our congressmen could impound this watchdog before he takes a bigger bite out of the consumer he is supposed to protect.

WTSU Signs Canyon Standout

Keith Keeling, a standout basketball and baseball player at Canyon High

School, has been signed to an athletic scholarship agreement with West Texas State University.

Keeling will be on a half basketball, half baseball scholarship.

The 6-1, 145-pounder averaged 14 points per game for Canyon's basketball team this past year and earned all-district honors. He was the second leading scorer on the Eagle squad.

Keeling lettered three years for Canyon High in baseball and played four years of American Legion ball. In high school this past spring he had a 3-3 record as a pitcher for a team which won only five games and batted .300 as an outfielder.

The lanky right-hander was 3-2 for the Canyon American Legion team this past summer and the team won only five games. His

record the summer before was 6-1.

The son of Mr. and Mrs. Tom Keeling will major in business at West Texas State.

Rehearsals Announced

Band members at Canyon High School will have a full band rehearsal this morning from 8:30 a.m. to 11 a.m., according to J.W. King, band director.

Monday and Tuesday full rehearsals will be from 8:30 a.m. to 11 a.m. and from 7 p.m. to 9 p.m., he said.

Band members who are registering for classes will be excused from rehearsals during their registration time, he said.

Miss Guidry To Graduate

Joy Marie Guidry, daughter of Mr. and Mrs. Marion Antoine Guidry of 402 Foster Lane, is among 57 candidates for graduation from the School of Allied Health Sciences of the University of Texas Medical Branch at Galveston.

Miss Guidry will receive her certificate of proficiency in physical therapy.

The commencement exercises, which will start at 7:30 p.m. Friday in the Moody Memorial First United Methodist Church in Galveston, will be the school's second commencement.

Firemen To Set Blaze

Canyon firemen will soon be setting their own house afire.

The house, a 26-foot by 38-foot structure, is under construction currently at the Lindsey Firemen's Training Field in west Canyon.

Fire Capt. Joe Rice said the house will be constructed of concrete blocks. The foundation for the house has already been poured.

Mr. and Mrs. Howard Cunningham of Baltimore, Md., visited in the home of Mr. and Mrs. Johnny Miller last week. Mrs. Cunningham is Mrs. Miller's sister.

It will consist of three bedrooms, a living room, kitchen, bath and one-car garage.

The one-story structure will be covered by a sheet metal and wood roof.

When the building is complete, Rice said, Canyon will have the only house for fireman training in the Panhandle.

Canyon's volunteer firemen will undergo all types of training at the house, which will be set afire with a mixture of gasoline and diesel fuel.

"We can simulate everything from a small fire to a total fire to just a fire in the garage," Rice said.

The structure will also serve as a smokehouse for testing of various fire department breathing apparatus.

"It will look just like a regular house," Rice said. "We'll have some furniture in it."

By using the house, firemen can simulate under controlled conditions almost any type house fire.

They will also be able to simulate rescue operations.

When the house is finished at the training field, firemen will build telephone poles and lines to simulate a real city-lot type situation.

"This will be a big asset to the fire department for training purposes," Rice said.

The city's firemen are building the house in their spare time.

Rice said he hopes it is finished in about six months.

Fire Capt. Joe Rice points out the front door of a house which is under construction at the firemen's training field here. The house will be used to teach volunteer firemen the best methods of fighting house fires.

School Registration
To Begin On Monday

Monday is the first day of registration for students in city schools and the doors open for classes Wednesday.

About 2,750 students are expected to enroll this year, according to a survey made by the Canyon Independent School District.

Students at Rex Reeves, Gene Howe and Umbarger elementary schools are to register Monday at their respective schools, according to Oscar Hinger, principal at Rex Reeves.

Students will register alphabetically according to last names. Those whose last names begin with the letters A through K will register between 8:30 a.m. and noon. Those whose last names begin with the letters L through Z will register between 1:30 p.m. and 4 p.m.

New students who have enrolled already should go to their schools on registration day to get acquainted with the school and the teachers, Hinger said.

Students in grades one through five will have been assigned a home room teacher by registration day and will register with that teacher. Sixth graders will be assigned a home room after registration. They will need to decide by registration day whether they will be enrolled in band or choir, he said.

Parents should be prepared to pay enrollment fees, lunch tickets and school accident insurance if desired, he said.

Fees at the elementary schools include the following:

First grade	\$3.50
Second grade	\$3.90
Third grade	\$3.75
Fourth grade	\$4.00
Fifth grade	\$3.65
Sixth grade	\$3.75

These fees will cover workbooks and instructional material not covered by the state.

Information concerning school buses can be obtained by calling L. H. Brotherton at 655-2548.

Other information can be obtained by calling the principals of the respective elementary schools.

Students in Canyon High School and Canyon Junior High School will register Monday and Tuesday.

Seniors at CHS are to register Monday between 8:30 a.m. and noon. Juniors will register between 1 p.m. and 4:30 p.m. Monday and sophomores will register between 8:30 a.m. and noon Tuesday.

Registration will be in the commons area and the cafeteria at CHS.

Seventh graders at the junior high will register from 9:30 a.m. to 11:30 a.m. Monday. Eighth graders will register from 1:30 p.m. to 3:30 p.m. the same day. Ninth graders are to enroll from 9:30 a.m. to 11:30 a.m. Tuesday.

All students at the junior high will register in the band hall, according to Dave Corley, principal. Students should enter the band hall through the south door, he said.

Senior and junior high students will receive their class schedules and locker assignments at the time of registration.

Fees are to be paid at the high school and junior high, also.

Fees required at the junior high include a \$2 activity fee and a 50-cent reading lab fee. These are required for all students, Corley said. The activity fee covers the student handbook and the all-school party which is scheduled for the end of the year.

Mrs. Joel D. Richardson

Hotchkiss-Richardson Vows Are Repeated

Miss Susan Jane Hotchkiss became the bride of Joel Dean Richardson Aug. 15 in a double ring ceremony in the First Baptist Church of Floydada.

The bride is the daughter of Mr. and Mrs. John S. Hotchkiss of Floydada. The groom is the son of Mr. and Mrs. R. B. Richardson of Canyon.

Dr. Floyd C. Bradley, pastor of the Floydada First Baptist Church solemnized the ceremony.

The sanctuary was decorated in many graduated sizes of palms of commodore foliage in brass urns and gleaming brass candelabra holding white cathedral tapers. A brass profile kneeling bench centered the wedding scene and a three-candle vow candelabra completed the decorations. The bridal aisles were marked with brass hurricane candelabra decorated in white

satin ribbons.

The bride, given in marriage by her father, wore a wedding gown of white peau de soie and French alencon lace and was an original design by the bride's grandmother, Mrs. Ray Thomas. The empire bodice and elbow length sleeves of lace were accented with pearls. The bouffant skirt was fashioned with unpressed side pleats and extended into a chapel length train.

The candlelight three-tiered silk illusion veil was attached to a candlelight tinted satin bandeau, pearl encrusted, embossed with multi-petals of lace and sequins edged with seed pearls.

The bridal bouquet was carried atop a white lace covered prayer book which held a cascade bouquet of white sweetheart rose buds and stephanotis.

Maid of honor was Miss Teresa Mertel of McLean. Bridesmaid was Miss Peggy

Overly of New Orleans, La. Bridesmatrons were Mrs. Doug Chauveaux of Canyon and Mrs. Rickie Hodges of Floydada.

Lloyd Perry of Canyon was best man. Groomsmen included Sam Hotchkiss, brother of the bride, Jerry Richardson and Ricky Richardson, both brothers of the groom.

Ushers were John Morehead, cousin of the bride, Jerry Davis, David Ellis, and Jim Hall.

The bride was graduated from Canyon High School in 1967. She is a senior at West Texas State University where she is a member of Zeta Tau Alpha, national social sorority.

The groom was graduated from Canyon High School and West Texas State University. He is employed by Santa Fe Railroad in Amarillo.

After Aug. 20, the couple will be at home in Canyon.

Mrs. Bobby Brock

Two Showers Honor Bride Last Month

Mrs. Bobby Wayne Brock, the former Miss Brenda Kay Johnson, was honored recently with two showers.

A miscellaneous shower was held in her honor July 28 in the home of Mrs. E. L. Cranmer.

Hostesses were Mesdames J. B. Roberts, T. F. McKinney, L. S. Johnston, Jack Parsons, A. H. Linderman, Wesley Cox, Bill Sternberg, Woody Pond, Robert Wright, Cliff Abbott and Marvin McBroom.

A kitchen shower honored the former Miss Johnson July 28.

Hostesses were Misses Seleta Abbott, Susan Lindeman and Mrs. Gene Bales.

The honoree is the daughter of Mr. and Mrs. Recil Johnson.

Wedding Vows Are Read For Miss Johnson, Brock

Miss Brenda Kay Johnson and Bobby Wayne Brock were married Aug. 15 in a double ring ceremony in the Joseph A. Hill Chapel on the WTSU campus.

The Rev. Dwayne Dennis of the Church of Christ officiated.

The former Miss Johnson is the daughter of Mr. and Mrs. Recil H. Johnson, 2612 11th Ave. The groom is the son of Mr. and Mrs. J. D. Brock.

Providing music at the wedding was Miss Susan Lindemann, organist. Selections were "Love Can Make You Happy," "Never My Love," "A Time For Us," "More," "Let It Be Me," and the traditional wedding procession and recessional.

Michael Shapley sang "Twelfth of Never" and "Wedding Prayer."

Given in marriage by her father, the bride wore a gown designed by her mother of organza over peau de soie with an empire bodice. The dress was enhanced by dainty Venise lace with seed pearls. The dress was accented with Bishop sleeves and a wedding collar. A detachable train trimmed with lace appliques and seed pearls adorned the back.

The headpiece was of Venise lace outlined with pearls, an organza bow and an illusion veil.

For something old the bride wore a locket of the groom's grandmother and for something borrowed, she wore her mother's wedding ring.

The bride's attendants included Mrs. Gene Bales, matron of honor, and Seleta Abbott, bridesmaid. They wore identical dresses of yellow crepe.

Best man was Kenneth Hammons. Groomsman was Phillip Masterson.

Ushering were Jeffrey Maxwell and Mickey Abbott. Registering guests at the wedding was Miss Peggy Brock, sister of the groom.

A reception at the church of Christ Bible Chair followed the wedding. Presiding at

the reception table were Mrs. Ronald Brock and Mrs. Keith Brock, sisters-in-law of the groom.

The bride is a graduate of Canyon High School and is attending West Texas State University where she is a data processing major.

The groom is also a graduate of Canyon High School and has attended WTSU. He is associated with Brock Plumbing in Canyon.

Following a trip to Carlsbad, N. M., the couple is at home at 203 28th St., Apartment 8.

Shower Honors Bride-Elect

Mrs. John F. Toles recently hosted a bridal tea for Miss Susan McManigal, bride-elect of Bill Vernon, in the Toles home in Happy.

Greeting guests were Mrs. Toles, the honoree, Mrs. Morlan McManigal, Mrs. Clovis Vernon and Mrs. Kate Vernon. Each wore corsages of yellow rosebuds and white daisies.

Sixty guests registered with Mrs. Travis Hart of Ft. Worth, sister of the bride, who presided over the guestbook.

Hostesses for the shower were Mesdames John F. Toles, Warren Walberg, W. H. Selvidge, Clayton Devin, S.N. Wright, John Payne, Eugene Sims, Leo Szydlowski, Pete Whitlow, Robert Lee, N. F. Johnson, Fern Spear, Vivian Wesley, Joyce Wheat, Quentin Gill, H. A.

Hardaway, Reed McDonald, Everett Culp, Dale Whitlow, Larry Tackitt, Forrest Vise and W. A. Penn.

Also Mesdames Dick Railsback, E. W. Miller, Victor Harman, Frank Tirey, G. L. Robinson, Cone Johnson, John Butler, Bob Hargraves, A. C. Miller, Lena Belle Cabe, W. T. Robinson, Virgil Toles, M. L. McFarland, Pat Lollar, Tola Gurley, Ross Forsyth, Nathan Harvey, Bertie Culp, Alice McGeehee, George Rahlfis, Mabel Holloway, Eugene Jackson, Roman Weavers and Rayford Shipman.

Mrs. Jimmie Wayne Brown

Miss Andrews, Brown Repeat Vows

Miss Diana Lee Andrews and Jimmie Wayne Brown were married Aug. 14 in Faith Chapel with the Rev. Bobby L. Myer officiating at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. C. H. Andrews of Canyon.

Parents of the groom are Mr. and Mrs. Noble Brown, also of Canyon.

Fisher Family Has Reunion

All of Mr. and Mrs. Lem Fisher's children spent several days home with their parents last week.

While here, the children of the couple and other relatives had a picnic in Conner Park and celebrated one of the couple's son's birthdays at Wyatt's Cafeteria in Amarillo.

Children of the couple and their families are Mr. and Mrs. Don White, Stanley, Steven and Kimberly from Conoga Park, Calif., Mr. and Mrs. Kenneth Fisher, Eric and Lee from Irving, Mr. and Mrs. Robert Fisher, James and Mark from Fairfield, Calif., and Mr. and Mrs. Oren Fisher and Kay from Lubbock.

Other relatives were Mr. and Mrs. Luther Willis and Mr. and Mrs. Delbert Burrows.

Matron of honor was Mrs. Gail Clark of Amarillo. Bridesmatron was Mrs. Linda Weyland of Washington, D. C. Both are sisters of the bride.

Misty Lyn Clark was flower girl and Jay Bruce Andrews, brother of the bride was ring bearer.

Kenneth Brown of Canyon was best man. Groomsman was Gene Brown also of Canyon. They are both brothers of the groom.

Serving as ushers were Mike Faulk of Austin and Andy Sherrod of Canyon. A reception in Faith Chapel followed the wedding.

The bride and groom are both students at WTSU. The

bride is a sophomore student and is a member of Chi Omega, national social sorority. The groom, a junior, is a member of Kappa Alpha Order, national social fraternity.

After a wedding trip to the El Paso area, the couple will be at home in the Angel Apartments in Canyon.

Couple States Winter Vows

Mr. and Mrs. Ervin J. Podzemny of Amarillo announce the engagement and approaching marriage of their daughter, Sharon Gail, to Ronald Lee Childers, son of Mr. and Mrs. Alonzo D. Childers of Hayden, N. M.

The couple plans to be married Nov. 6 in St. Joseph's Catholic Church.

Miss Podzemny is a graduate of Canyon High School and is presently employed by Amarillo Savings Association.

The prospective groom is a graduate of Amistad High School, Amistad, N. M. He is now assistant manager at Kinney's Shoe Store in Amarillo.

News Brief

Part II of the letter from "Project Germany" is available in the foyer of the Central Church of Christ.

Deana DeBord Weds David Sovereign

Mrs. David Sovereign

Miss Deana Jo DeBord became the bride of David Loyd Sovereign Aug. 8 in the Gaston Baptist Church in Dallas.

The Dr. T. V. Farris solemnized the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. W. C. DeBord of Canyon. The groom is the son of Mr. and Mrs. Rollin Sovereign of Chicago, Ill.

Given in marriage by her brother, Ray DeBord, the bride wore a street length lace dress with a high stand-up collar and sheer organza puffed sleeves with lace cuffs, a row of lace buttons down the front of the dress accented the dress. The bridal veil was of the same chantilly lace and secured with an organza bow.

Donna Kay Picher of Dallas and Susan Stipic were the bride's attendants. They wore yellow satin long sleeved dresses accented by a roll collar.

Rick Namors of Philadelphia, Pa., was best man. Ed Cothren of Dallas served as groomsman.

A reception in the Club Room of the Southern Kitchen East Restaurant in Dallas followed the ceremony.

Vows Read

First Baptist Church of Happy was the site for the double-ring ceremony Aug. 15 for Susan Margaret McManigal and William David Vernon.

The Rev. Irving Looney, pastor of the church, officiated at the ceremony.

The bride is the daughter of Mr. and Mrs. Morland Blaine McManigal and the parents of the groom are Mr. and Mrs. Clovis William Vernon, all of Happy.

The altar was flanked by spiral candelabra holding yellow candles and entwined with lemon leaves and ivy. Twin ivory and gold cupid urns held arrangements of yellow cut flowers.

Billy Fred Webb, organist, and Bruce Burnett, soloist, provided music at the ceremony.

Given in marriage by her father, the bride wore an heirloom formal gown of candlelight peau satin fashioned in an A-line silhouette with empire waistline. The bodice of satin was overlaid with candlelight Chantilly lace, embroidered with seed pearls. Cut-out lace roses cascaded down the skirt front and bordered the hemline. Wrist length sleeves were of matching lace. Names and wedding dates of the bride and her sister, Mrs. Wendell Travis Hart of Fort Worth, were embroidered on the underhemline of the gown in the chosen colors of the brides.

The bride's fingertip veil of illusion was attached to a coif of ruffled, beaded lace and rolled satin roses. She carried a bouquet of yellow roses and ivy.

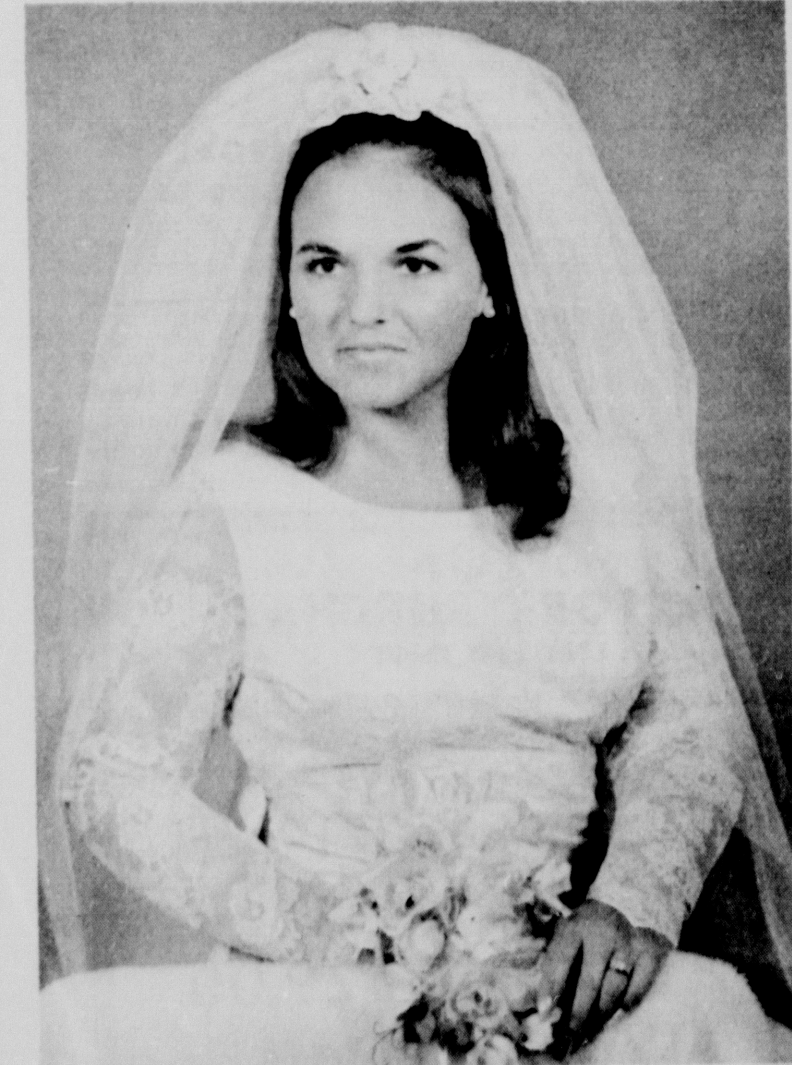

Mrs. Wendell Travis Hart of Fort Worth, sister of the bride, was matron of honor. Mrs. Gail Bizzell of Canyon was bridesmaid. They wore formal gowns of yellow crepe designed with short sleeves, high waists and inset midriffs.

Miss Cindy Toles of Happy and Miss Beverly Lynch of Pampa registered guests at twin round yellow covered tables. The pages of the bride's book were decorated by Miss Lorene Gunter, cousin of the bride.

Best man was Stephan Leigh Vernon of Happy, brother of the groom, and Joseph Waterfield of Houston was groomsman.

Ushers were Michael McCarley and Dave McNeill of Happy, Steven Stokley of Houston and James G. McManigal of Lubbock, brother of the bride.

The couple will reside in Houston where the bride will attend the University of Houston. The groom is a Robert A. Welch Foundation senior at Rice University and is a designate for the John Stauffer Scholarship in Chemistry for the year 1970-71. Both are graduates of Happy High School.

Miss Zumwalt, Ormsby Are Wed In Amarillo

Miss Roy Ann Zumwalt and Robert Stone Ormsby were married recently in the chapel of St. Paul's United Methodist Church in Amarillo.

The Rev. J. B. Sharp officiated at the double ring ceremony.

The bride is the daughter of Mrs. Helen Zumwalt of Amarillo. Mr. and Mrs. B. J. Ormsby are parents of the groom.

Miss Rhonda Zumwalt, sister of the bride, was maid of honor. Bridesmaids were Cathy Schuster and Becky Scott, both of Amarillo.

Steve Russell was best man. Jerry Lehnick and Andy Snyder served as groomsmen. All are from Canyon.

Ushering were Stanley and Martin Stoerner of Lockney, cousins of the groom.

Following a reception in the church parlor, the couple departed on a wedding trip to Houston.

The bride will attend Bauder Fashion College in Arlington in the fall. The groom will attend the University of Texas at Arlington.

Miss Curry Weds

Miss Sharon Ruth Curry and Jan D. Blackwell, Jr., were married Aug. 14 in the Church of Christ in Happy. The Rev. Bill D. Looney officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Clyde Curry of Gallup, N. M., formerly of Happy. The groom is the son of Mr. and Mrs. Jan D. Blackwell, Sr., of Borger.

Music was provided by soloists Mrs. Joyce Kennimer of Borger, and Terry Looney of Happy. Songs included "One Hand, One Heart," "I Pledge My Love To You," and "Twelfth of Never."

The bride, given in marriage by her father, wore a gown fashioned by the groom's grandmother. Made of chantilly lace over delustered satin, the gown featured an A-line, floor-length skirt, high roll collar, empire waist, and cathedral-length train. The long, Bishop sleeves were of English Illusion and were cuffed with lace over satin.

The veil, also of English Illusion, was tiered, tapered to fingertip length in back, and was completely edged in lace. It was secured by a headpiece of seed pearls and lace.

The bride carried a large white orchid, atop a white Bible, a gift of the groom.

Matron of honor was Mrs. David Ross of Lubbock. Miss Shirley Kimmel of El Paso was bridesmaid.

Carolyn Moudy of Happy was flower girl and David Blackwell of Borger was ring bearer. Lighting candles were Alton Curry of Happy and Max Warren, Jr. of Lubbock.

Best man was Jan D. Blackwell, Sr. of Borger. Gary Blackwell served as groomsman.

Ushering were Alton Curry, Max Warren, Jr., Bobby Blackwell of Childress and Mark Moudy of Happy.

A reception in the church parlor followed the ceremony. Reception assistants included Miss Jill Mimms, Miss Ginger Reeves, Mrs. Foy Moudy, Mrs. Branch Sheets, Mrs. Alvin Moudy, Mrs. J. B. Sexton, Mrs. Sam Bryan, Mrs. Burl Sims and Miss Beulah Moudy.

Following a wedding trip to points of interest in Colorado, the couple will be at home in Lubbock.

News Brief

The Gordon Downings have recently returned from a two-week trip to New Mexico and to Idalou, Tex. The first week was spent in vacationing in New Mexico. The second week was spent working in a gospel meeting in the Idalou Church of Christ.

Japanese Students Spend Time With Fowlkeses

Much of the anti-American sentiment expressed through demonstrations by Japanese students is based in a growing desire for independence and opposition to the Vietnam war.

That was the opinion of two Japanese women students who are spending several days visiting in the home of Mr. and Mrs. Charles Fowlkes north of Canyon.

The two students, Naoko Kantani, 20, and Misao Shibasaki, 19, were part of a 13-member group touring the United States. The group is part of an even larger group of 485 Japanese students who are spending the summer here.

They are participants in a program sponsored by the Youth Exchange Service International, a non-profit org-

anization which promotes youth exchanges in foreign countries.

Naoko, known as Nancy to the Fowlkeses, and Misao, who calls herself Mike, speaks broken English but with the aid of Japanese-English dictionaries are able to communicate well with Americans.

During a party Friday night at the Fowlkeses', the two talked of their country.

In response to questions, they said many demonstrations had been staged at their university and college.

Mike said the anti-American feeling among students is born of a desire for independence. They want to be free from American restraints, she said.

Many students also strongly oppose American intervention in the Vietnam conflict. They oppose, too, the selling of military wares by Japanese to support the Vietnam war.

"To make money from war is bad," Mike said.

To other questions, the two women indicated that while Japan is experiencing a trend toward Westernization, there is a desire to remain distinctly Oriental, to

retain the Japanese identity.

They enjoy parts of both cultures, wearing Western and Oriental clothing and eating Western and Oriental foods.

Mike said Western food is readily available in Japan, but only in the larger cities. She is from Tokyo and Nancy is from Kiushu.

Western fads such as astrology and fortune-telling have caught on in Japan, they said.

The two arrived with their

Three Area Women Selected Outstanding

Three area women have been selected as Outstanding Young Women of America for 1970, and will appear in the annual biographical compilation, Outstanding Young Women of America.

The three are Miss Alicia Lou Abney, 2500 8th Ave., Mrs. Lorna June Jansen Schultz, 1703 Creekmore Dr., and Mrs. Della Mae Pohlmeier Venhaus of Happy.

Outstanding Young Women of America is a program designed to recognize the abilities of young women between the ages of 21 and 35 throughout the country.

Now in its sixth year, the Outstanding Young Women of America program was conceived by the leaders of the nation's major women's organizations. This

program recognized those young women who contribute to the betterment of their communities, professions and country. Serving on the program's Board of Advisors are the national presidents of women's clubs, headed by Mrs. Dexter Otis Arnold, Honorary President of the General Federation of Women's Clubs.

From among the young women included in Outstanding Young Women of America, 50 are selected each year, one from each state, for their state's Outstanding Young Woman of the Year Award.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT
NUMBER SIX ON THE BALLOT (SJR32)
General Election Nov. 3, 1970

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 51, Article XVI, Constitution of the State of Texas be amended to read as follows:

"Section 51. The homestead, not in a town or city, shall consist of not more than two hundred acres of land, which may be in one or more parcels, with the improvements thereon; the homestead in a city, town or village, shall consist of lot, or lots, not to exceed in value Ten Thousand Dollars, at the time of their designation as the homestead, without reference to the value of any improvements thereon; provided, that the same shall be used for the purposes of a

home, or as a place to exercise the calling or business of the head of a family; provided also, that any temporary renting of the homestead shall not change the character of the same, when no other homestead has been acquired."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment increasing the value of the homestead which is exempt from forced sale."

Proposed CONSTITUTIONAL AMENDMENT
NUMBER FIVE ON THE BALLOT (HJR28)
General Election Nov. 3, 1970

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 52, Article III, Constitution of the State of Texas, be amended to read as follows:

"Section 52. (a) Except as otherwise provided by this section, the Legislature shall have no power to authorize any county, city, town or other political corporation or subdivision of the State to lend its credit or to grant public money or thing of value in aid of, or to any individual, association or corporation whatsoever, or to become a stockholder in such corporation, association or company.

"(b) Under Legislative provision, any county, any political subdivision of a county, any number of adjoining counties, or any political subdivision of the State, or any defined district now or hereafter to be described and defined within the State of Texas, and which may or may not include, towns, villages or municipal corporations, upon a vote of two-thirds majority of the resident property taxpayers voting thereon who are qualified electors of such dis-

trict or territory to be affected thereby, in addition to all other debts, may issue bonds or otherwise lend its credit in any amount not to exceed one-fourth of the assessed valuation of the real property of such district or territory; except that the total bonded indebtedness of any city or town shall never exceed the limits imposed by other provisions of this Constitution, and levy and collect taxes to pay the interest thereon and provide a sinking fund for the redemption thereof, as the Legislature may authorize, and in such manner as it may authorize the same, for the following purposes to wit:

"(1) The improvement of rivers, creeks, and streams to prevent overflows, and to permit of navigation thereof, or irrigation thereof, or in aid of such purposes.

"(2) The construction and maintenance of pools, lakes, reservoirs, dams, canals and waterways for the purposes of irrigation, drainage or navigation, or in aid thereof.

"(3) The construction, maintenance and operation of macadamized, graveled or paved

roads and turnpikes, or in aid thereof.

"(c) Notwithstanding the provisions of Subsection (b) of this Section, bonds may be issued by any county in an amount not to exceed one-fourth of the assessed valuation of the real property in the county, for the construction, maintenance, and operation of macadamized, graveled, or paved roads and turnpikes, or in aid thereof, upon a vote of a majority of the resident property taxpayers voting thereon who are qualified electors of the county, and without the necessity of further or amendatory legislation. The county may levy and collect taxes to pay the interest on the bonds as it becomes due and to provide a sinking fund for redemption of the bonds."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment authorizing any county, on the vote of a majority of its qualified property taxpayers electors, to issue road bonds in an amount not to exceed one-fourth of the assessed valuation of the real property in the county."

NUMBER FOUR ON THE BALLOT (HJR15)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III, Section 51-b, Subsection (a), Constitution of the State of Texas, be amended to read as follows:

"(a) The State Building Commission is created and succeeds to the powers and duties heretofore vested in the agency of the same name by this Constitution and to the powers and duties the Legislature has vested or may vest in the Commission. Its membership shall consist of three Texas citizens appointed by the Governor with the advice and consent of the Senate. The term of each member shall be six years except in the first appointments to the Commission the Governor shall appoint one member for two

years, one for four years, one for six years, and thereafter one member biennially. The Governor shall biennially designate one member as Chairman. Vacancies in the Commission shall be filled by appointment by the Governor for the unexpired term. The provisions of this paragraph shall be self-enacting."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment reconstituting the State Building Commission as a three-member appointive commission."

Eagles To Give Preview In Saturday Scrimmage

The Canyon High Eagles will give a preview of their 1970 team in their first intrasquad scrimmage at a 9 a.m. Saturday on the high school field.

The Eagles, a small but spirited team this season, began their fall workouts Monday afternoon.

Through this week, and the first part of next week, they will continue two-day drills. With the starting of school next Wednesday, they will begin one-a-day drills.

Head Coach Dunney Goode is fairly satisfied with the progress of his team.

"The team is progressing slowly," he said, "but we've had very few injuries and no serious injuries."

He is pleased with the spirit of the team.

"They seem to be in real fine condition for this early in the season," he said.

For the first drills Monday, Goode said about five more boys than he had expected decided to join the squad.

Basically the team has been working on basic running and passing plays,

fundamental defense and the kicking game.

The first formal scrimmage for the Eagles will be next Friday against Brownfield at Plainview. No time has yet been set for the game.

First Eagle opponent of the season is Clovis High School on Sept. 11 at Clovis. Game time is 8:30 p.m.

Power. . .

(Continued from Page 1) blackout.

City employees also changed over the water pump station generator from electrical power to gasoline power to avert a water shortage during the power failure.

Neblett Hospital reportedly fired up a generator for emergency electrical power during the blackout.

The fire department was also affected by the silencing of phones in the city.

Capt. Rice said the situation could become critical due to the loss of phone contact if a fire had broken out.

Mr. and Mrs. Mike Lewis,

Policies. . .

(Continued from Page 1) curl in the back due to excessive length, or extend over the shirt collar. Boys must be clean shaven, with sideburns straight and not longer than the bottom of the ear.

For girls, the policy states: Wear blouse and skirt, blouse and jumper, sweater and skirt, suit or conservative dress. Sweat shirts and miniskirts are not acceptable. Culottes are permitted so long as they have the appearance of a skirt and are fitted properly.

Jacobs presented the drug abuse resolution, but told board members he will revise it to include provisions for any situation which might arise.

The teeth of the policy are as follows: "Any student found in possession of, having used, or under the influence of marijuana, any narcotic, hallucinatory, hypnotic or sedative drug or any chemical, alcohol, or stimulant not prescribed by a licensed physician, shall be expelled from classes. . . for the remainder of the school term."

Another informational item given the board was a

professional employee absentee and sick leave policy. Jacobs said he will reword parts of the policy and return to the board later for consideration.

Basically, the policy adds three days to the current state-required five days for sick leave.

It also stipulated exact cases where teacher absence would or would not be excused.

Pioneer. . .

(Continued from Page 1) mittee, made up of about 20 towns on the Pioneer West Texas system.

The committee met last week to discuss the possible Pioneer request.

City Manager Howard Northcutt said the Pioneer request will not be placed on the agenda for consideration at tonight's city commission meeting.

In the letter transmitting the rate hike request to the city, Pioneer said it has maintained an "excellent gas supply and is capable of supplying new customers and increased requests for service."

The letter said the company has recently connected two new large potential gas supply areas.

Fifty-six cities will be asked to approve the rate hike by Pioneer.

School. . . .

(Continued from Page 1) total \$1,944,449.

Formerly it had been estimated at \$1,875,551.

Jacobs said the main cost not anticipated in the budget was for paving and repairing parking lots at various schools in the district.

The board also let contracts for various groceries and gasoline.

Mobil Oil Corporation of Canyon was given the contract for this year's gasoline. The company bid .1338 cents per gallon plus taxes. Consumers Fuel Association of Canyon bid .1525 cents per gallon.

The board moved to keep cafeteria prices for school children and teachers at the same rate charged last year.

Jacobs told the board that Canyon Junior High School will be used for classes this fall. He said the main sections of the building, which is now under construction, will be used until all the building is completed.

Showers. . .

(Continued from Page 1) take a significant amount of rain to give the top soil and subsoil the needed moisture."

Brazzil said the dry summer has already caused some damage to local farms.

"There is a considerable acreage of dryland sorghum which has not been planted and which won't be planted now," he said.

Due to the dry summer, county ranchers may face a critical shortage of cow feed. Brazzil said little has been planted.

"We have a very short supply of hay and hay stuffs for wintering cattle," he said.

"There is no time to do anything about it now."

A Student Senate meeting is scheduled from 12:30 p.m. to 1:30 p.m., with Wines presiding. Topics of discussion will include the Miss WTSU Beauty Pageant and the new Centex telephone system on campus.

Workshops are planned for 1:30 p.m. These will be conducted by Mrs. Jean Moore, dean of women; Dr. Carruth; Wines; Linda Taylor, president of the Student Activities Council; Gary Blanscet, chief justice of the Student Supreme Court; and Story.

The Student Senate at WTSU is footing the bill for the conference, according to Wines. Food and lodging will be provided the delegates.

Lodging will be provided in the cabin owned by the First Baptist Church in Canyon, he said. The First Baptist Church of Hereford has also offered its cabin.

Students either may stay at the assembly grounds or may find their own lodging, Wines said. The residence halls on campus will be open and students who have reserved rooms for the fall semester may stay there.

Members of the leadership conference committee include Holly Shelton, Becky McAdams, Tom Rose, Cindy Ingram and Chelyne Haesle.
